WHO WE ARE

We are Corporate Services provider licensed in Dubai - UAE backed by an enriched, Dynamic, industry-experienced leadership team with an objective to deliver comprehensive business solutions. We have successfully established our reputation with our expertise and quality of services. We have an impressive customer base ranging from individual investors and startups to SMEs and multinational companies. At RED BERRY we have an extensive network of associated partners, with whom we work to provide complete Corporate Services.

CORE TEAM

We are a team of industry experienced consultants with an aim to provide our clients the ideal solutions to help them set up their business by understanding the requirements and ensuring all the regulations are adhered to at different jurisdictions in Dubai/UAE and GCC. The team can provide value added services through their network and associate partners to have a full range of business solutions under one roof. We provide end to end services for smooth operations of our client's business.
